

# Homeless

Ignoring the problem  
is **NOT** the **solution**.

**Transitional Living Center**  
is Western Racine County's  
**only resource** solely dedicated  
to addressing the needs of  
**homeless** individuals and families.

As the **first responder** to a crisis,  
TLC offers **shelter** and **programming**  
to help clients become  
**self-sufficient** and work towards  
**living independently**  
in a place they can call **home**.

Your **HELP** is needed to help them!

**GOLF**less  
**OUTING**

For over 25 years, the Burlington Transitional Living Center has provided safe shelter for Burlington and northern Racine County's homeless. Restoring lives by providing a safe and stable place to take care of daily living necessities plays an important role in helping TLC's clients become self-sufficient and live independently.

We're proud of the work we do and thankful for the support we receive. To meet expenses and continue to fund the important, everyday work of TLC we urgently need to raise...

Kindly put, your golf clubs away.  
 Join us for TLC's  
 first-ever (and hopefully only)  
 golf-less outing day.

We are all very saddened  
 we can't see you this year.  
 Until the curve is flattened  
 we'll have to stay far, not near.

TLC's mission isn't ending,  
 even during these COVID times.  
 We still need your befriending  
 to help those in our confines.

Our rhyme is finally done.  
 We invite you to not delay.  
 There's plenty of room for everyone  
 at TLC's golf-less outing day.
